ABSTRACT

This list of library and documentation associations is in two parts: the first contains international associations arranged alphabetically by title, and the second groups national associations by country or territory. For the United States, the associations are arranged by states. Within each country or territory, listed in French alphabetical order, entries are arranged first by town and then alphabetically by association name. It should be noted that some addresses are only temporary since, in many cases, the headquarters of national associations are at the same address as that of the president or secretary and change each time new officers are appointed. LISTE DES ASSOCIATIONS DE BIBLIOTHECAIRES ET DOCUMENTALISTES

LIST OF LIBRARY AND DOCUMENTATION ASSOCIATIONS

Cette liste comporte deux parties. La première est consacrée aux associations internationales qui sont classées dans l'ordre alphabétique de leur titre; la seconde répertorie les associations nationales qui sont groupées par pays ou territoires (les associations des Etats-Unis d'Amérique étant classées par Etats). A l'intérieur des pays ou territoires, les associations sont groupées par villes et classées ensuite par ordre alphabétique de titres. Les pays sont classés selon l'ordre alphabétique français. Il convient de noter que certaines adresses sont provisoires; l'adresse du siège de certaines associations étant celle du président ou du secrétaire, celle-ci change lorsqu'un nouveau bureau est nommé.

Seules les Associations qui ont répondu à la lettre circulaire envoyée par le Secrétariat ont été incluses dans la présente liste. Cette liste ne prétend pas recenser toutes les associations de bibliothécaires, et le Secrétariat sera très heureux de recevoir les commentaires, corrections et additions qui lui permettront de la compléter. La correspondance devra être adressée à : Section de l'Information et des Publications, Département de la Documentation, des Bibliothèques et des Archives, Unesco, Place de Fontenoy, 75 - Paris (7e).

This list is in two parts; the first contains international associations arranged alphabetically by title, and the second groups national associations by country or territory. (For the United States of America, the associations are arranged by States.) Within each country or territory, listed in French alphabetical order, entries are arranged first by town and then alphabetically. It should be noted that some addresses are only temporary since, in many cases, the headquarters of national associations are at the same address as that of the president or secretary and change each time new officers are appointed.

A circular letter was sent to all associations known to Unesco but only addresses of those which replied are included in this list. This list is not exhaustive and the Secretariat would welcome any additions, corrections and comments bringing it up to date. Correspondence should be addressed to : Information and Publications Section, Department of Documentation, Libraries and Archives, Unesco, Place de Fontenoy, 75-Paris (7e).
